Leadership Profile Development Report & Superintendent Search

Ted Blaesing of Hazard, Young, Attea, & Associates, Ltd distributed the Leadership Profile report to the board and reviewed the summary of desired characteristics. Dr. Blaesing noted this information was compiled from approximately 123 completed Leadership Profile assessments and interviews with approximately 81 individuals. Dr. Blaesing then reviewed the executive summary including significant strengths of the Iowa City Community School District, challenges and issues facing the Iowa City Community School District, and the desired characteristics in the next superintendent of the Iowa City Community School District. It was noted that the next meeting with Dr. Blaesing is scheduled for 5:00 PM on April 13, 2010. Dr. Blaesing asked directors to identify two to four questions that they would like to see asked during the interview.
