2012 SKI TRIP

The Coralville Parks and Recreation Department is planning a ski trip to Sundown Mountain Ski Resort near Dubuque for seventh and eighth grade students on Tuesday, February 28, 2012.

The cost of the trip is **\$45.00** per student and includes the bus ride, lift ticket, lesson and ski equipment rental. **Snowboard rental will not be allowed.** Students who own a snowboard and equipment may bring it for personal use. If students have their own equipment the cost is \$38.00 for the bus ride, lift ticket and lesson.

We will travel to Sundown by chartered bus, and students will be randomly assigned to buses. On the registration/permission form, **each student may request one friend to be assigned to the same bus.** Friend requests are not guaranteed.

At Sundown, all students will be expected to take the ski lesson and will be responsible for returning the equipment checked out to them.

Lunch is **NOT** included in the ski trip price. All students are to bring a sack lunch or extra money for meals. It is suggested that students bring approximately \$8-10 for purchasing food if they do not bring their own lunch. The bus **WILL NOT STOP** on the return trip for dinner. It is also recommended that students take along extra clothing and quarters to rent locker space.

The registration fee for the ski trip can either be paid in the main office at Northwest Junior High, starting Wednesday, January 4, 2012, or at the front desk of the Coralville Recreation Center. No money or forms will be accepted before this time. Each student **must turn in a completed parent/guardian permission form with their money. Payment made at Northwest must be by check or money order. NO CASH. Checks must be made out to CITY OF CORALVILLE.** The registration deadline is **Wednesday, February 1.** Withdrawals or cancellations between February 1 and February 20 will be subject to a 50% cancellation fee. There will be no refunds for cancellations on or after Tuesday, February 21.

All active sports, including skiing and snowboarding, carry risk of serious injury to the participant which common sense and a personal awareness can help reduce. The skier's responsibility code must be adhered to for the skier/snowboarder's safety and the safety of others. If you do not agree with the safety code and accepting the inherent risk of skiing or snowboarding, do not purchase a ski package. Purchase of a package will acknowledge your agreement that you accept the risks inherent to skiing/snowboarding and that you will obey the Sundown Mountain Skier's Responsibility Code.

In case of serious injury, the student will be taken to a Dubuque hospital by one of the chaperones and parents will be informed immediately by phone. Parents of an injured student may be required to pick up their child in Dubuque.

Students are to report at the main entrance of Northwest Junior High at **6:30 a.m.** the morning of the trip. **The approximate time of return is 6:00 p.m. Please make arrangements to pick up your child at or about this time.** Students will be chaperoned by Coralville Parks and Recreation staff, Northwest faculty members and screened volunteers. Students may not accompany the trip unless they are skiing. Parents of students who misbehave while on the trip may be contacted to come to Dubuque to pick up their child.

Special emphasis will be given to student compliance with safety procedures. Instructions will be given prior to the trip. Supervisors will be available to assist students when they put on their equipment. Students skiing on slopes more advanced than their ability or skiing in a reckless manner will be asked to change slopes or turn in their equipment.
