Dear Parent/Guardian:

The School District **does not provide** health or accident insurance for injuries incurred by your child at school.

Please review your present health and accident insurance program to determine if it covers doctor, hospital, and dental bills which may result from an accident. If you have limited family insurance coverage or no insurance at all we encourage you to review the student insurance program.

As a service to parents, this year the Iowa City Community School District is making available accident insurance through Student Assurance Services, Inc. This plan will provide insurance benefits for medical expenses incurred because of an accident. An explanation of the costs and benefits can be found on the premium envelope.

The options provided are:

<b>PREMIUMS</b>		<b>Major Expense <u>Benefit</u></b>
Full-Time (PK-12)	\$ 89.00	\$180.00
